Laminate / Acrylic Shutters

Note: -

Glass Shutter – 10% extra on regular price.

Glass Shutter will not be produced in **Acrylic** and **Eco Acrylic**.

Prices Calculated considering **WHITE** Backing Laminate.

Any **Gloss Laminate** core material recommendation is always **MDF / HDHMR** to avoid undulation visibility on finished surface.

All the above range will have a tolerance of +/- 2mm.

Shutters / Panels can have warpage / bend upto 3 to 4mm per RMT. This is not manufacturing defect and no replacement can be given for this. We suggest having straightener for any door above 1600mm height to avoid further warping of the panel in future.

Prices are ex-factory.

GST extra.

We are not liable for any transit damage. Please ensure to insure the goods before it leaves our premises.

Payment: 50% advance and 50% before dispatch.
